DRESS REHEARSAL AND RECITAL

1. PLEASE BE PROMPT. We are on a very tight rehearsal schedule. Please have your dancer in costume, with make up on and hair fixed ready to perform when you arrive for rehearsal (15 minutes prior to scheduled time) and performance (30 minutes prior to scheduled time).
2. QUIET IS IMPERATIVE. Please stress to your child, and others with you that we must have quiet during rehearsal. Your child will be working in a new atmosphere and trying to concentrate. It is unfair to her to have noise and confusion to contend with.
3. Do not allow your child to wander through the building or be outside of the building unattended. Children will not be permitted to run in the building.
4. Please have your child go to the bathroom before you leave home. Avoid liquids prior to the recital.
5. FOOD, CHEWING GUM, BEVERAGES, SNACKS, etc. are NOT permitted in the Performing Arts Center.
6. There will be an assigned area for the dancers. Dancers are to remain with their class until the entire Recital is over, and they are dismissed from the stage.
7. PointeDVD will sell videos of the recital. Order forms will be available at the theater during the shows. Therefore, videoing will NOT be permitted during the recitals. Parents are welcome to take all the photos and videos they wish during the dress rehearsal. During the recitals, we ask that parents NOT use flash photography.

DRESS REHEARSAL AND RECITAL

USE THE FRONT ENTRANCE TO THE THEATER LOBBY.

Dancers will be seated in the auditorium during dress rehearsal. The day of the show, the dancers will be checked in at the Black Box entrance just down the hall from the theater lobby.

Please, make sure your dancer is ready to perform, in costume with hair and makeup done prior to entering the theater and black box for both the dress rehearsal and show days.

DANCERS **WILL NOT** BE PERMITTED TO LEAVE THEIR ASSIGNED AREA. If there were to be an emergency, parents will be contacted.

Parents, friends, siblings are NOT to go BACKSTAGE.

After performing their dance, dancers will remain with their class until after the Finale Bows. Then they will be dismissed to their families from the entrance of the black box. To help with congestion in the hallway, please only send one parent to collect your dancer(s).

The Sawnee School of Ballet accepts no responsibility for children outside of the Performing Arts Center or in the parking lot.
