

The Sawnee Ballet Sapphires were formed in 2014 under the direction of studio owner Courtney Bromwich as a recreational performing group giving the younger SSB dancers an opportunity to hone their abilities to quickly pick up choreography and develop their performance quality. Dancers were selected to become a part of this inaugural season based on their positive attitudes displayed in class, exemplary attendance records, and overall passion for dance.

The Sapphires can be seen performing modern, jazz, and musical theatre dances out and about in the community at various assisted living centers and events such as the annual Cumming Fair.

The Sapphires program is a great stepping stone for our dancers wanting to eventually audition for Sawnee Ballet Theatre (SBT) and also a great home for our dancers that are not as involved in ballet.

For more information on our Sapphires program, or to inquire about an assessment for next season, please email courtney@sawneeschoolofballet.com. You may also visit our Facebook page at www.facebook.com/ssbsapphires.
